

Soy un Gaucho

Estamos en la XI y XII Regiones en la Patagonia Chileno – Argentina por eso decimos “CHE”. El gaucho tal como el argentino usa el “CHE” para referirse a alguien más. Ej. Oye tú. Oye Che.

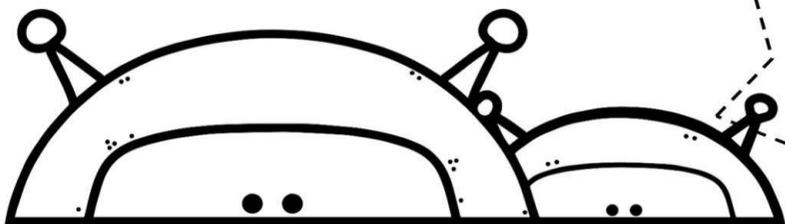

A large tracing activity for the number 14. At the top right, there is an illustration of two jars filled with beans. The left jar is full, and the right jar is partially empty. A curved arrow points from the left jar to the right jar. To the left of the jars, there are two large dotted numbers: a vertical '1' and a horizontal '4' that together form the number 14. Below these are three rows of five dotted '14's each, for a total of 15 numbers. At the bottom center, there is a black box with the text 'MATERIAL DIDÁCTICO RAYITAS' in white. On the right side, there is a vertical watermark that says 'Material Gratuito'.
