This worksheet is designed for practicing the number 16. At the top right, there are two jars filled with beans. An arrow points from the first jar to the second, indicating a counting sequence. Below the jars, the number '16' is shown in a large, dotted format for tracing. The first '1' is a simple vertical line, and the '6' is formed by a curved line starting from the top, going down, and then curving back up to the right. Below this are three rows of five dotted '16's each, for independent tracing practice. The page is decorated with small dots in the corners. At the bottom, there is a black bar with the text 'MATERIAL DIDÁCTICO RAYITAS' in white. On the right side, the text 'Material Gratuito' is written vertically.
